chemical health services

CLUES Chemical Health Services provide a safe environment for those who seek recovery from drug and/or alcohol addiction.

At CLUES you can...

Move away from addiction into a healthy, rewarding, and sober lifestyle.

Find out what services you need through a Chemical Health (Rule-25) evaluation.

Receive individual counseling that focuses on your specific concerns.

Participate in group treatment sessions that create a supportive network with others.

Become more aware of negative behaviors through DUI education.

Continue to receive support and be involved after you graduate from treatment.

Please call for more information.
